---

An act to amend Section 1530 of the Code of Civil Procedure, relating to unclaimed property.

LEGISLATIVE COUNSEL'S DIGEST

AB 355, as amended, Eduardo Garcia. Unclaimed property: safe deposit boxes.

Existing law, the Unclaimed Property Law, governs the disposition of unclaimed property, including the escheat of certain property to the state. Existing law provides for the escheat to the state of the contents of, or proceeds of sale of the contents of, any safe deposit box or any other safekeeping repository held in the state by a business association, as specified. In cases where the contents of a safe deposit box or other safekeeping repository escheat to the state, existing law requires the business association to report to the Controller certain information regarding the property and owner, including a description of the property and the place where it is held and may be inspected by the Controller.

This bill would additionally require the business association to include in its report to the Controller any name attached to ~~an item~~ *a United States savings bond or military award* inside a safe deposit box or other safekeeping repository that is different from the name of the owner.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
